

THE SCARLET THREAD

Tune: Ode to joy

1. The scarlet thread, a true token given unto Ra-hab,
A token that delivered her from the future destruction,
She found herself in the lineage of the Messiah, God's Son,
The scarlet thread became a link to enter new life in God.
2. Rahab asked for a true token knowing destruction would come,
She was told to bind it upon the win-dow of her house,
She took the scarlet thread and bound it, to the window of her house,
When destruction came to her city, she was secured in the oath.
3. She was secured not in kindness that she showed unto the spies,
but because of the scarlet thread, a true token she received,
Her good works were not the token that delivered her from ruin,
But the scarlet thread was the main reason she was delivered.
4. The scarlet thread is a token that foreshadows Christ our Lord,
In His death on Calvary's tree, as He shed His blood for all,
Have you received this true token of God's Son's death on the Cross?
This is the only acceptable token that delivers.
5. Take the token of God's Son's death on the tree of Calvary,
Bind it upon thy life daily, and be secured in Christ' love,
Christ was given as the only propi-ti-ation for sin,
He delivers from sin and its destruction upon all lives.
