

Marriage is great mystery: Eph5:21-31

1. Marriage is great mystery

That speaks of Jesus Christ

That speaks of Christ and His bride His Church

Marriage is great Mystery

Chorus:

Marriage is God ordained

To reflect Jesus Christ

To all outside and within the Church

To behold Christ in Marriage

2. Marriage is great mystery

That reflects Christ the head

And the Saviour of His dear body

While she was yet a sinner

3. Marriage is great Mystery

That reflects submission

That reflects how the church submits to

The leading of Christ her head

4. Marriage is great mystery

That shows Christ' love for His bride

And gave Himself for her that He might

Sanctify and cleanse her

5. Marriage is great Mystery

That cause a man to leave

His father and His dear mother

And cleave to his bride and be one
